Installation.php

When the below details are entered in the installation.php file, the configuration.php file will get created on run time.

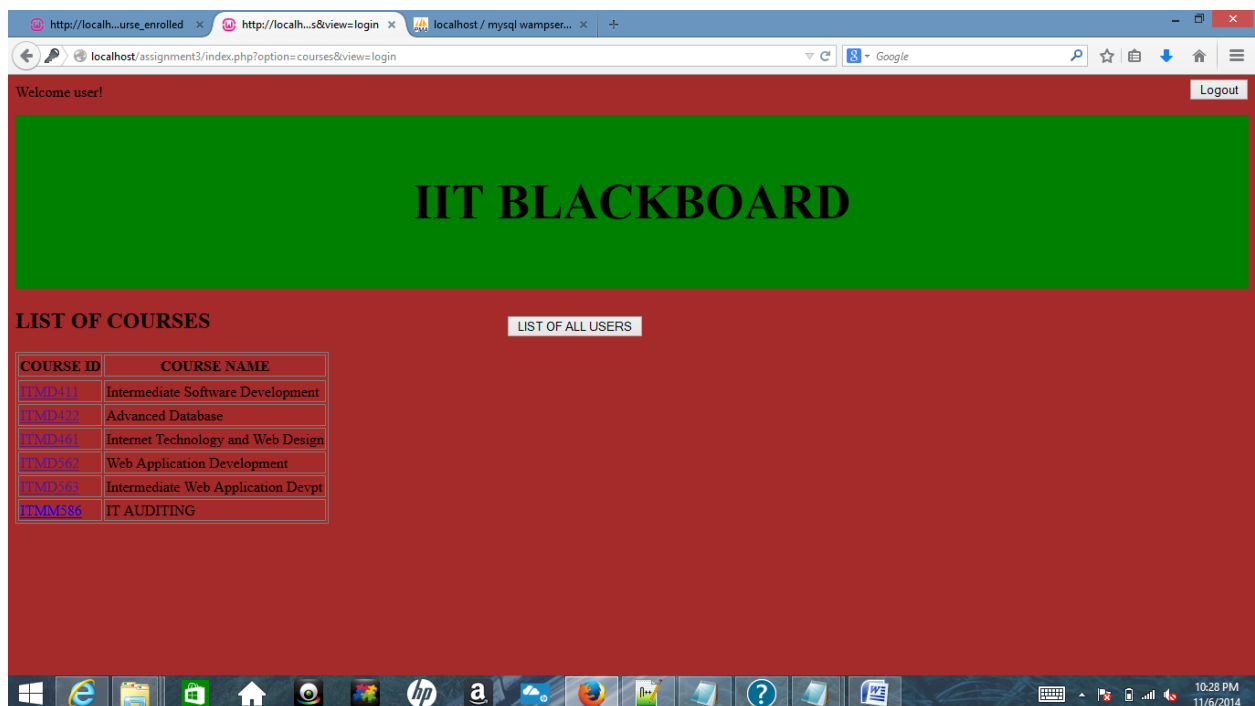

It will get redirected to the users index.php

Give the username as praveen and password as praveen .

The list of courses will get displayed in the login view in the course component as shown below

When the course ITMD461 is clicked, the detailed view of that course with a ENROLL button is displayed as shown below.

The screenshot shows a web browser window with the URL `http://localhost/assignment3/index.php?option=courses&view=detail&id=ITMD461`. The page has a red header with "Welcome user!" and a "Logout" button. Below the header is a green banner with "IIT BLACKBOARD" in black text. The main content area is titled "DETAILED VIEW OF A COURSE" and contains a table with the following data:

COURSE ID	COURSE NAME	Availability	CREDIT HOURS
ITMD461	Internet Technology and Web Design	Fall, Spring	3

Below the table is an "ENROLL" button. The Windows taskbar at the bottom shows the time as 10:39 PM on 11/6/2014.

When the ENROLL button is clicked, the course will be enrolled by the confirmation message shown below.

The screenshot shows the same web browser window with the URL `http://localhost/&view=enroll`. The page has a red header with "Welcome user!" and a "Logout" button. Below the header is a section titled "My Courses" with the message "the course has been registered". The Windows taskbar at the bottom shows the time as 10:42 PM on 11/6/2014.

If the user has already enrolled the course the following message "You have already enrolled for this course will get displayed"

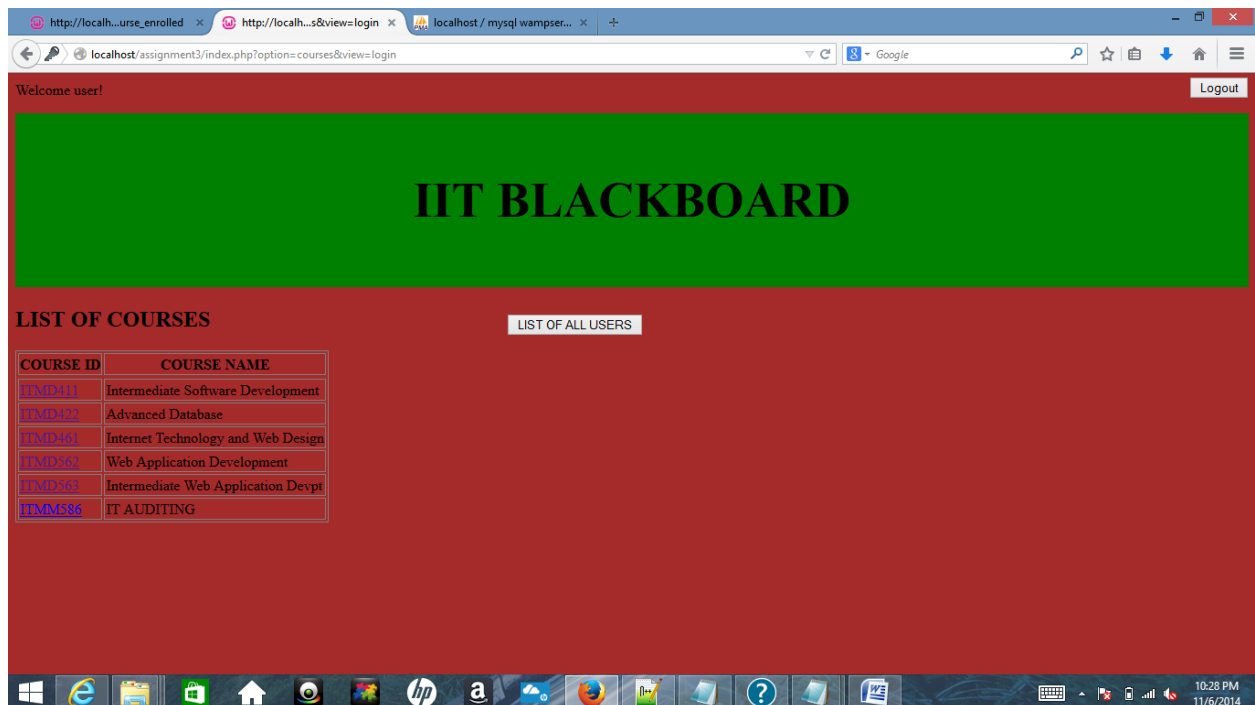

The screenshot shows a web browser window with the URL `http://localhost/assignment3/index.php?option=courses&view=detail&id=ITMD461`. The page has a red header with "Welcome user!" and a "Logout" button. Below the header is a green banner with "IIT BLACKBOARD" in black text. The main content area is red and titled "DETAILED VIEW OF A COURSE". It contains a table with the following data:

COURSE ID	COURSE NAME	Availability	CREDIT HOURS
ITMD461	Internet Technology and Web Design	Fall, Spring	3

Below the table is an "ENROLL" button. The Windows taskbar at the bottom shows the time as 10:39 PM on 11/6/2014.

When the LIST OF ALL USERS button is clicked, it will redirect to the list view in the course component as shown below.

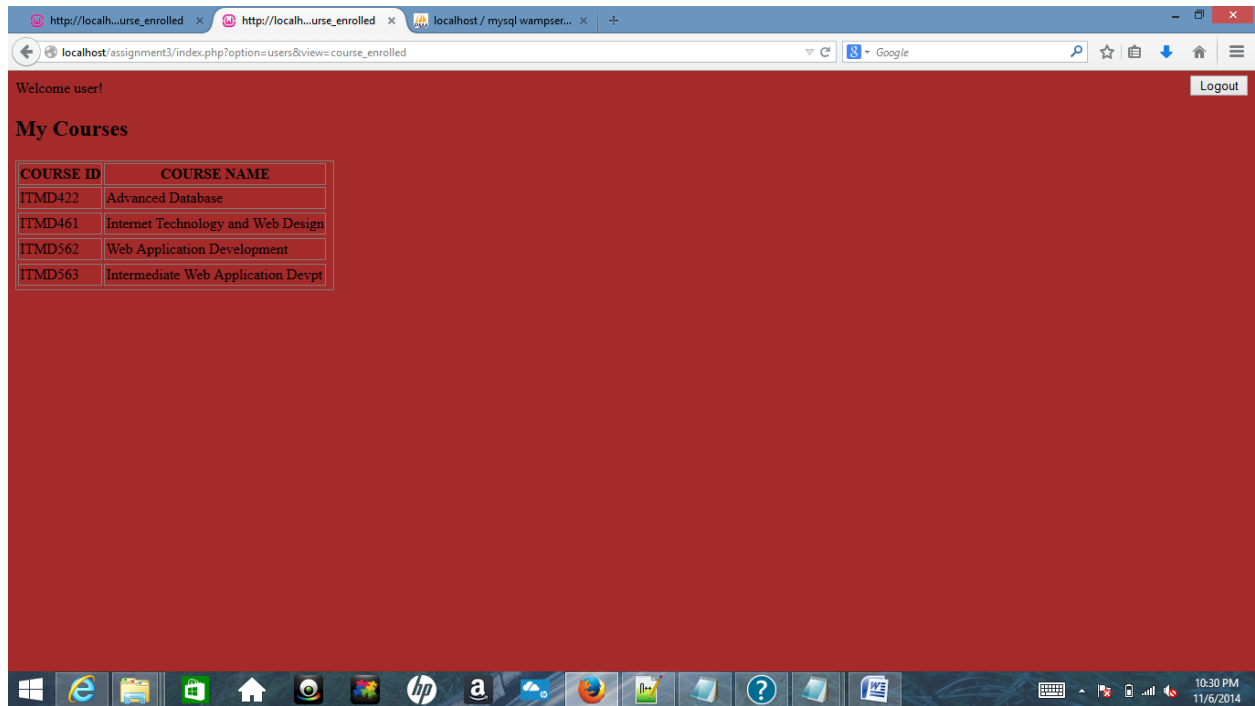

The screenshot shows a web browser window with the URL `http://localhost/s&view=login`. The page has a red header with "Welcome user!" and a "Logout" button. Below the header is a green banner with "IIT BLACKBOARD" in black text. The main content area is red and titled "LIST OF COURSES". It contains a table with the following data:

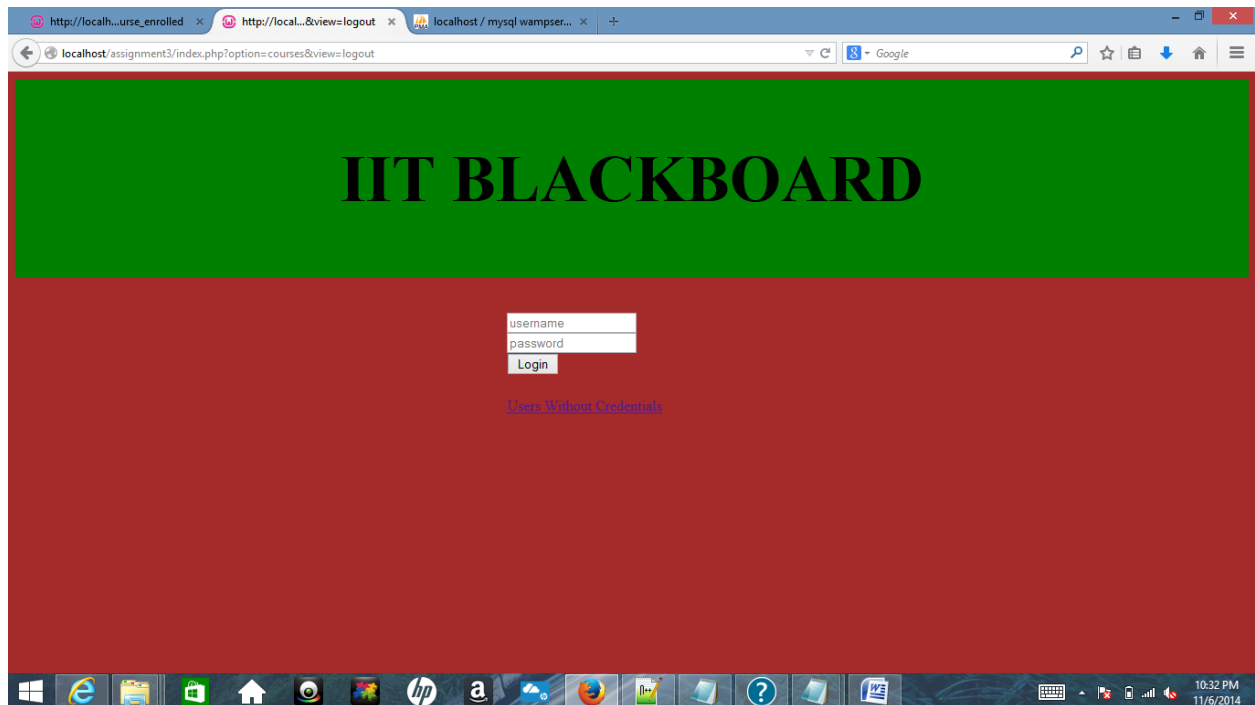

COURSE ID	COURSE NAME
ITMD411	Intermediate Software Development
ITMD422	Advanced Database
ITMD481	Internet Technology and Web Design
ITMD362	Web Application Development
ITMD363	Intermediate Web Application Devpt
